Covid-19 - Return to school - consultation

Wednesday 13 May

Dear parents, carers and families

As I am sure you are aware, since the Prime Minister's address to the nation, schools are trying to plan for the potential (phased) return of Nursery, Reception, Year 1 and Year 6 on June 1. With further possible opening beyond this.

This is not an easy process and please rest assured that at the heart of any plans will be the safety and wellbeing of Brinsley children, families and staff.

Gradually we are getting guidance and advice from unions, the Local Authority and the government. Schools are also working together to find the best ways forward.

We are conscious though that we need to listen to you as parents. I understand that many people are anxious and for different reasons, including the safety of a return to school at this point, pressures from employers to return to work, conflicting messages in the media, etc. Consequently, I would like to ask you for your thoughts, fears, questions, etc. If you could send them to me at rsvp@brinsley.notts.sch.uk. Alternatively, I will put this same message on Class Dojo so people can privately message me.

As a school, we are aiming to have a workable plan as soon as possible in order to give families as much time as we can to plan for themselves. We do appreciate your patience while we try and get this right. While I am acutely aware that it will be difficult to please everybody, it is my hope that together we will find the best way through this.

Kind regards

Jason Osprey
