Brinsley Primary and Nursery School – School Closure information

[DATE]

Dear Parents/Carers of Y4 children,

Due to the recent school closure we have prepared a course of work for the children. This work should last for approximately 2 weeks. During this time (excluding the Easter break), school staff will still be working and you will be able to communicate with them through Class Dojo, which I am sure you are familiar with, or by using the following emails:

Miss Croft y4@brinsley.notts.sch.uk

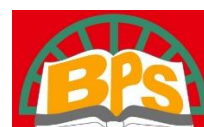

School emails and voicemails will still be checked daily using our normal email address: office19@brinsley.notts.sch.uk. There will be someone in the office.

While none of us know what is to come in the short term or long term, what we hope is that the children will KEEP READING (this is so important) and that they will engage with the work we have set. On a different note we would like children and families to make the most of this unique situation – plant some flowers, bake a cake, make a new board game, do some art, get outside and take some exercise, etc. There is plenty to do to help children and families to stop from going ‘stir-crazy.’

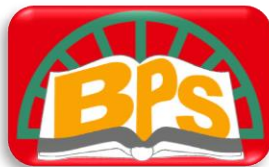

Please note, if your child was unable to collect their written homework packs, they will be sat in the school office ready for collection.

Below is a summary of the work that has been prepared for your child to complete over this period.

Platform i.e. paper, Bug Club, etc	Task (and how to return to teacher)
Paper Booklet	<ul style="list-style-type: none">• Twinkl Maths Spring Booklet linked to Easter• Twinkl Science game on the Water cycle• Master the curriculum – Maths sheets• TTS Reading comprehension – Read the text and answer a range of comprehension style questions• TTS History – Create a family Tree• TTS Mindfulness & Wellbeing activities
Bug Club	Children have allocated books to read. There will be comprehension questions to answer online. Login details are in their reading log.
Times Tables Rockstars	Login details are in their reading log.
Seesaw	Miss Croft may upload work onto seesaw for children to respond to digitally. The class have started using this app for homework. Log in details have been sent home.
Studio Coding	Computing lessons on coding. Children have their log in details on their reading log.
