Brinsley Primary and Nursery School – School Closure information

20th March 2020

Dear Parents/Carers of Year 5 children,

Due to the recent school closure we have prepared a course of work for the children. This work should last for approximately 2 weeks. During this time (excluding the Easter break), school staff will still be working and you will be able to communicate with them through Class Dojo, which I am sure you are familiar with, or by using the following emails:

Ms. Martin y5@brinsley.notts.sch.uk

School emails and voicemails will still be checked daily using our normal email address: office19@brinsley.notts.sch.uk. There will be someone in the office.

While none of us know what is to come in the short term or long term, what we hope is that the children will KEEP READING (this is so important) and that they will engage with the work we have set. On a different note we would like children and families to make the most of this unique situation – plant some flowers, bake a cake, make a new board game, do some art, get outside and take some exercise, etc. There is plenty to do to help children and families to stop from going ‘stir-crazy.’

Please note, if your child was unable to collect their written homework packs, they will be sat in the school office ready for collection.

Below is a summary of the work that has been prepared for your child to complete over this period.

Platform i.e. paper, Bug Club, etc	Task (and how to return to teacher)
Bug Club	Guided reading texts and reading books.
Times Tables Rockstars	Complete challenges for multiplication facts.
Classroom Secrets	Online activities to support English and Maths. Children have logins.
Seesaw	Maths, English, Topic and other subjects activities to support learning.
Paper	Creative topic about Tudor times
