May 2017

Dear Parents and Carers,

You may be aware that the Government is introducing a new early years offer of 30 hours free childcare for parents of 3 and 4 year olds who meet certain eligibility criteria. Providers (registered childminders, schools with nurseries and private, voluntary and independent nurseries) have been given the choice of whether or not to offer this provision. The following schools in the Selston family have decided to offer a limited numbers of places for the 30 hours entitlement in each of the school nurseries;

- Brinsley Primary and Nursery School
- Jacksdale Primary and Nursery School
- Selston C of E Infant and Nursery School
- Westwood Infant and Nursery School

These places will be offered on the following basis:

- Provision of up to 30 hours childcare during the school term-time for 38 weeks (allowing for school INSET days) starting September 2017;
- Provision of five days childcare of 2x3 hour nursery sessions with a break at lunchtime;
- An option of collecting your child for lunch or alternatively committing to additional charges for wraparound care (you could choose to bring a packed lunch or make a further payment for a hot school meal);
- Places offered on a first come first served basis, depending on the number of places available in the school of your choice.

All schools will charge the same hourly rate for additional wraparound care, with school meals charged at the standard rate.

In order to qualify for this offer, please see the attached guidance. If you think you are eligible, you need to apply via one of the following websites:

<https://www.childcarechoices.gov.uk>

<https://www.gov.uk/childcare-calculator>

If you are successful, you will be given a unique verification code, which you will need to bring to the school, along with your National Insurance Number, your child's date of birth and a completed acceptance form which will be issued by the relevant school.

If you are not eligible for 30 hours, you will still be entitled to the 15 hours free childcare for 3 and 4 year olds.

If you have any questions about this, please contact your chosen school where staff will be happy to help.

Yours sincerely,

Emma Haywood

## Will I qualify for 30 hours free childcare?

Parents of three and four year olds will need to meet the following criteria in order to be eligible for 30 hours free childcare:

- They earn or expect to earn the equivalent to 16 hours at National Minimum or Living Wage over the coming three months.
- This equates to £120 a week (or c.£6,000 a year) for each parent over 25 years old or £112.80 a week (or c.£5,800 a year) for each parent between 21 and 24 years old and £56 a week for apprentices in their first year.
- This applies whether you are in paid employment, self-employed or on zero hours contract.
- The parent (and their partner where applicable) should be seeking the free childcare to enable them to work.
- Where one or both parents are on maternity, paternity, shared parental or adoption leave, or if they are on statutory sick leave.
- Where one parent meets the income criteria and the other is unable to work because they are disabled, have caring responsibilities or have been assessed as having limited capability to work.
- Where a parent is in a 'start-up period' (i.e. they are newly self-employed) they do not need to demonstrate that they meet the income criteria for 12 months.
- If one or both parents is a non-EEA national, the parent applying must have recourse to public funds

### A parent will not meet the criteria when:

- Either parent has an income of more than £100,000
- If one or both parents is a non-EEA national and the parent applying does not have recourse to public funds

### What happens if a parent loses eligibility?

- They will receive a 'grace period' – this means they will be able to keep their childcare for a short period.
- Once the 'grace period' has lapsed, the parent should be entitled to the universal 15-hour entitlement.
